SYLLABUS BOOKLET

CLASS - II

SESSION 2022-2023

## **FOREWORD**

We, at Sacred Heart, are delighted to present the syllabus for the new academic session 2022-23. We have successfully crossed the journey in last year and look forward with renewed confidence and optimism. This syllabus has been designed keeping in view the CBSE guidelines and future demands of the society.

The curriculum will help to evaluate every aspect of the child during his/her presence in the school. Thus, holistic development of students gets attention. Built on tried and tested timelines, the framework sets to achieve milestones that our students are sure to cross with distinction.

Our immediate challenge is to ensure that students are better appraised, more knowledgeable and sharply focused on problem solving skills. Looking ahead, we are committed to providing quality education in a value-driven environment. We will continue to assure that our students have the best possible learning experiences so that the school becomes the first choice for outstanding students of the city.

For promotion to the next class the student will be evaluated for their performance in the Class tests and the Two terms tests (T-I and T-II) comprising of theory papers. Assignments, class tests, class response and enrichment activities will also be taken into account

## Evaluation System (II-V)

Abiding by the regulations laid down by C.B.S.E., evaluation system for academic year 2022-2023 will follow the assessment structure which comprises of two terms – Term-1 and Term-2. Each term will include internal assessments and written tests.
