B.R.S NAGAR, LUDHIANA**

Dear Kindergarten Students

AUG 2025

Your upcoming assessment is a wonderful opportunity to show what you have learned- not just through words and numbers, but through your listening, thinking and joyful participation in class. Let this be your guiding thought:

**"The more you try, the more you grow.
Every little effort helps you shine."**

These exams are not about being perfect -- they are about learning, trying your best and enjoying the process. Each child is special and we celebrate your individual pace and progress.

HERE ARE A FEW HELPFUL TIPS:-

- Get plenty of rest the night before.
- Eat healthy breakfast to stay active and alert.
- Pack your bag with necessary stationary – pencils , erasers etc.
- Arrive on time with a cheerful smile.
- Listen carefully to your teachers and stay calm during the paper.
- Be confident and enjoy the experience.

TO OUR DEAR STUDENTS-- You are already doing wonderfully just by showing up with a smile and willingness to learn. Keep that joyful spirit alive!

We are confident that with gentle support from your parents and encouragement from your teachers, you will complete these exams with positivity and pride.
